

McMaster University RDC: Some Research Outcomes Reported by Researchers
2008

01-MCM-0014 (P4) Harriet MacMillan, First Nations Women's Emotional Health

Refereed article: MacMillan HL, Jamieson E, Walsh CA, Faries EJ, McCue H, MacMillan AB, Offord DR, with the Technical Advisory Committee of the Chiefs of Ontario. First Nations women's mental health: Results from an Ontario survey. *Archives of Women's Mental Health* 2008; 11:109-115.

01-MCM-0017 (P13) Isik Zeytinoglu, Nonstandard and Flexible Labour Contract Issues in Workplaces

Refereed article: Zeytinoglu, I.U. and Cooke G.B. (2008). "Non-standard Employment and Promotions: A Within Genders Analysis", *Journal of Industrial Relations*, 50(2):319-337.

RDC research paper: Zeytinoglu, I.U. and Cooke G.B. (2008). "Non-standard Employment and Promotions: A Within Genders Analysis", McMaster #12

01-SSH-MCM-0063 (P43) Sung Hee Jeon, A longitudinal Perspective on Women's Labour Force Transition: Trigger Events

Refereed article: Jeon, S. (2008), "The impact of lifecycle events on women's labour force transition: a panel analysis", *The Economic Record*, 84: S83-98.

04-SSH-MCM-0601 (P81) Isik Zeytinoglu, Determinants of on-the-job training in Canada

Refereed article: Zeytinoglu, I.U., G.B. Cooke, K. Harry, & J. Chowhan, (2008). "Low-Paid Workers and On-the-Job Training in Canada", *Relations Industrielles / Industrial Relations*, 63(1):5-29.

05-SSH-MCM-0808 (P102) Bruce Newbold, Health and Health Behaviour among recent Canadian Immigrants

Presentation: Newbold, K.B. "Journey to Health", MRC Social & Public Health Sciences Unit, University of Glasgow, January 24, 2008.

05-SSH-MCM-0866 (P105) Simo Goshev, Motivation Behind the Labor Force Participation Decision of Older Males: Evidence from the Canadian Survey of Labour and Income Dynamics

PhD Thesis: Goshev, S. 2008. Essays on Health and Retirement in Canada, McMaster University

05-SSH-MCM-0872 (P109) Byron Spencer, SEDAP Research Program: Research Area 1

Presentation: Denton, F. T. and B. G. Spencer, “Chronic Health Conditions: Changing Prevalence in an Aging Population and Some Implications for the Delivery of Health Care Services”, Canadian Association on Gerontology, London, Ontario October 24-25, 2008.

Organize Workshop: Spencer, B.G., “Reinventing the Wheel”, a workshop on child health research organized jointly by the McMaster Child Health Research Institute & the Statistics Canada Research Data Centre at McMaster, Hamilton, November 27, 2008.

Organize Conference: Spencer, B.G., Canadian Association on Gerontology, London, ON, October 24-25, 2008. Five sessions organized to highlight the work of the SEDAP Research Program; several papers based on RDC master files; participated in all sessions.

Other activity: Spencer, B.G., responsible for “The McMaster Pilot”: the acquisition of Ontario Ministry of Health and Long-Term Care administrative health data in the McMaster RDC for research applications.

06-SSH-MCM-0945 (P119) Simo Goshev, Pathways in the Socio-economic Status-Health Relationship

Presentation: Goshev, S. And Veall, M. “Stress as a Pathway in the SES-Health Relationship”, 2008 CEA, Vancouver, Canada.

06-SSH-MCM-0981 (P125) Claire de Oliveira, Understanding the SES Gradient in Children’s Mental Health

PhD Thesis: de Oliveira, C., 2008. “The Income Health Gradient in Childhood”, Department of Economics, McMaster University.

06-SSH-MCM-1024 (P127) Elisabetta Magnani, Older Workers and Technological Change

Presentation: Magnani, E. “Hours Constraints and Training for Older Workers: A Comparison between Australia and Canada using Matched Employer-Employee Surveys.” Canadian Economics Association Meeting, Vancouver, June 2008. <http://economics.ca/2008/en/program.php>

06-SSH-MCM-1052 (P128) Michel Grignon, Equity in Health Care Utilization in Canada

Working paper: Allin, S. And J. Hurley. 2008. “Inequity in Publicly Funded Physician Care: What is the Role of Private Prescription Drug Coverage?” McMaster University Centre for Health Economics and Policy Analysis Working Paper 08-02.

Course materials: Two sessions of Economics 791, Advanced Topics in Health Economics, based in part on analyses conducted for this project in the RDC, March 2008.

06-SSH-MCM-1072 (P135) Kathi Wilson, Aboriginal Peoples in Canada: Aging, Health and Health Care

Presentation: Wilson, K., M. Rosenberg, and S. Abonyi, "Aging, Health and Health Care: Examining Differences between Aboriginal and non-Aboriginal Seniors in Canada". Aboriginal Experiences in Aging Symposium: Setting Research and Policy Priorities. Saskatoon, September 17 - 19, 2008.

Presentation: Wilson, K., "Aging, Health and Health Care: Examining Differences between Aboriginal and non-Aboriginal Seniors in Canada", Canadian Association on Gerontology, London, Ontario. October 23 - 25, 2008.

Presentation: Wilson, K., "Older Aboriginal Peoples in Canada - Demographics, Health Status and Access to Health Care", background report for the Older Aboriginal Peoples Symposium, Saskatoon, Saskatchewan. September 2008.

Report submitted to Policy Group: Wilson, K., "Older Aboriginal Peoples in Canada - Demographics, Health Status and Access to Health Care", paper prepared for Indian and Northern Affairs Canada, 2008.

06-SSH-MCM-1181 (P139) Logan McLeod, Nonparametric versus Latent Class models of General Practitioner Utilization: Evidence from Canada

Presentation: McLeod, L., "Nonparametric versus Latent Class models of GP Utilization". American Society of Health Economists, Durham, North Carolina, June 2008

06-SSH-MCM-1174 (P140) Karen King, Internal Migration Dynamics and Aging in Place

Presentation: King, K.M. and K.B. Newbold. "Later-Life Migrations in Canada: Importance of Neighborhood and Metropolitan Characteristics", American Association of Geographers Annual Conference, Boston, Massachusetts in April 2008.

Presentation: King, K.M. and K.B. Newbold. "Later-Life Migrations in Canada: Importance of Neighborhood and Metropolitan Characteristics", Experience the Creative Economy Conference, Martin Prosperity Institute, Rotman School of Management, Toronto, ON. June 2008.

Presentation: King, K.M. and K.B. Newbold. "Later-Life Migrations in Canada: Importance of Neighborhood and Metropolitan Characteristics", Statistics Canada Research Data Center (RDC) Program Annual Conference, Ottawa, ON. October, 2008.

Refereed article: King K and Newbold KB. 2008. "Return immigration: The

chronic migration of Canadian immigrants, 1991, 1996 and 2001". *Population, Space and Place*, 14: 85-100

06-SSH-MCM-1190 P(141) Margaret Denton, Employer Pension Plan Inequality in Canada

Refereed article: Denton, M. and J. Millen, 2008. "Employer Pension Plan Inequality in Canada", Final Report, Human Resources Social Development Canada

Presentation: Denton, M. & Millen, J. "Employer Pension Plan Inequality: Gender and Age Differences". Canadian Association on Gerontology, London, ON. October 23-25, 2008

Presentation: Denton, M. & Millen Plenderleith, J. "Employer Pension Plan Inequality in Canada". Retirement Income Research Buffet, Human Resources and Skills Development Canada. November 10, 2008

07-MCM-0881-S002-R001 (P145) Jessie L. Miller, Examining the heterotopic continuity of aggression using teacher reports: Results from a national Canadian study

Refereed article: Miller, J.L., Vaillancourt, T., & Boyle, M.H. (2008). "Examining the heterotypic continuity of aggression using teacher reports: Results from a national Canadian study", *Social Development*, 18, 164-180.

07-MCM-0017-S001-R001 (P147) Isik Zeytinoglu, Nonstandard and flexible labour contract issues in workplaces

Refereed article: Cooke, G., I.U. Zeytinoglu, N. Agarwal, & J. Rose, 2008, "Employee-friendly and employer-friendly non-standard work schedules and locations", *International Journal of Employment Studies*, 16(2): 31-66.

07-SSH-MCM-1267 (P150) Theodora Pouliou, Individual and Socio-Environmental Determinants of Obesity in Canada

Presentation: Pouliou, T. and S.J. Elliott, "An examination of the socio-environmental determinants of overweight and obesity in Canada", Annual Meeting of the American Association of Geographers, April 15-19, 2008, Boston, MA, USA

Presentation: Pouliou, T. and S.J. Elliott, "Overweight and obesity in urban Canada: Towards a better understanding of the socio-environmental determinants", Canadian Public Health Association Annual Conference, June, 2008, Halifax, NS

Presentation: Pouliou, T. and S.J. Elliott. 2008. "Individual and socio-environmental determinants of overweight and obesity in urban Canada: a multi-

level approach”, 7th International Conference on Urban Health, October 2008, Vancouver, BC

Presentation: Pouliou, T. 2008. “Individual and Socio-Environmental Determinants of Overweight and Obesity in Canada: a geographical perspective”, School of Public Health, University of Saskatchewan, October 2008, Saskatoon, SK

07-SSH-MCM-1276 (P151) Patricia Neff, Raising an ADHD Child: An Examination of Parental Well-Being in Canada and the United States

M.A. Thesis: Neff, P.E. (2008), “Raising an ADHD child: An Examination of Maternal Well-being in Canada and the United States”.

Presentation: “Raising an ADHD Child: A Cross-Cultural Comparison of Canadian and American Families”, February 2008 meetings of the Eastern Sociological Society in New York, NY.

RDC research paper: Neff, P.E. (2008), “Raising an ADHD Child: An Examination of Parental Well-Being in Canada and the United States”, McMaster #13

Book: Neff, Patricia E. 2008. ADHD and Maternal Resiliency: A Cross-Cultural Examination of Canadian and American Mothers. Amherst, N.Y., Cambria Press

07-SSH-MCM-1137 (P153) Laura Duncan, Econ 770: Advanced Analysis of Survey Data

RDC research paper: Duncan, L., “Income and Country Poverty Effects on Active and Inactive Voluntary Association Membership: A Cross-National Comparison”, McMaster #14

RDC research paper: Duncan, L., “Income and Area Effects on Voluntary Association Membership in Canada”, McMaster #15

07-SSH-OTT-1260 (P155) Felice Martinello, Tracking Student Transitions in Post-Secondary Education

Book chapter: Martinello, Felice. “Transitions and Adjustments in Students’ Post Secondary Education” in Who Goes? Who Stays? What Matters? Accessing and Persisting in Post-Secondary Education in Canada, edited by R. Finnie, R.E. Mueller, A. Sweetman, and A. Usher. Montreal and Kingston: McGill-Queen’s University Press and Queen’s University School of Policy Studies. 2008. Chapter 9, pp. 209-238.

Media coverage: Canwest News Service “Study finds most college dropouts eventually finish their studies” National Post. Friday August 29, 2008, p.A6.

Media coverage: Ottawa Citizen “College dropout stats skewed by ‘switchers’ and ‘leavers’”. August 28, 2008

<http://www.canada.com/ottawacitizen/news/story.html?id=af47bb84-eb4e-4f6b-84a9-84bf21076271>

07-SSH-MCM-1369 (P156) Sara Allin, Equity in health care use in Canada

Refereed article: Allin, S. and J. Hurley, 2008. "Inequity in publicly funded physician care: what is the role of private prescription drug insurance?" *Health Economics*, published online, DOI:10.1002/hec.1428.

Working paper: Allin, S. and J. Hurley, 2008. "Inequity in publicly funded physician care: what is the role of private prescription drug insurance?" CHEPA Working Paper, 08-02.

Presentation: Allin, S., "Inequity in publicly funded physician care: what is the role of private prescription drug insurance?", 7th European Conference on Health and Economics, Rome, Italy. July 23-26, 2008

07-SSH-MCM-1360 (P162) Gina Browne, A longitudinal analysis of parenting practices and psychological outcomes in Canadian children

Refereed article: Oduyungbo, A., D. Browne, N. Akhtar-Danesh, & L. Thabane, "Comparison of generalized estimating equations and quadratic inference functions using data from the National Longitudinal Survey of Children and Youth (NLSCY) database". *BMC Medical Research Methodology*, 2008 May 9: 8(1)28. [Epub ahead of print]

Available Online: <http://www.biomedcentral.com/1471-2288/8/28>

Presentation: Oduyungbo, A., D. Browne, L. Thabane, N. Akhtar-Danesh, & G. Browne, "On the QIF methodology for longitudinal data analysis: A comparison between GEE and QIF parameter estimates using data from the 'National Longitudinal Survey of Children and Youth (NLSCY)'. 7th Annual Hawaii International Conference on Statistics, Mathematics and Related Fields. Jan 17-19, 2008

Presentation: Oduyungbo, A., D. Browne, N. Akhtar-Danesh, & L. Thabane, "Comparison of generalized estimating equations and quadratic inference functions using data from the National Longitudinal Survey of Children and Youth (NLSCY) database", The 2008 Joint Statistical Meetings, Aug 3-7, 2008, Denver, Colorado

07-SSH-MCM-1430 (P167) Kristin Cleverley, The Impact of Impairment on Developmental Trajectories of Internalizing Behaviours

Presentation: Cleverley, K., Bennett, K. "Integrating Perceived Impairment into Developmental Psychiatric Research: A Review of the Literature and an Example using Childhood Internalizing Disorder". Department of Psychiatry and Behavioural Neurosciences Annual Research Day. Hamilton, ON. April, 2008.

Presentation: Cleverley, K., Bennett, K. “The Impact of Impairment on Development Trajectories of Internalizing Behaviours”, Canadian Academy of Child and Adolescent Psychiatry Annual Conference. Vancouver, BC. September, 2008.

07-NONE-MCM-1445-S001 (P169) Teresa Bennett, Internalizing Symptoms and Youth Participation in Skill Development Activities: Relationships Over Time

Course materials: Bennett, T., Georgiades, K. Boyle, M. “Youth Internalizing Symptoms and Structured Extracurricular Activities: Reciprocal Effects Over Time”, submitted for Health Research Methodology 790, Advanced Analysis of Survey Data. April 2008.

07-SSH-MCM-1409 (P178) David Haardt, Cost-related prescription drug non-adherence across Canada

Presentation: Haardt, D. “Cost-related prescription drug non-adherence across Canada”, Annual Meeting of the Canadian Economics Association, University of British Columbia, June 6-8, 2008.

Report submitted to Policy Group: Haardt, D. “Cost-related prescription drug non-adherence across Canada” requested by Health Canada (Ariane Jaros-Denis) following presentation at annual meeting CEA in June 2008.

Presentation: Haardt, D. “Cost-related prescription drug non-adherence across Canada”, 66th International Atlantic Economic Society, Montreal, QC, October 9-12, 2008.

Presentation: Haardt, D. “Cost-related prescription drug non-adherence across Canada”, 36th Annual Conference of the Atlantic Canada Economics Association, Acadia University, Wolfville, NS, October 24-26, 2008.

Presentation: Haardt, D. “Cost-related prescription drug non-adherence across Canada”, Fourth Annual symposium of the Population, Work and Family Policy Research Collaboration (PWFC), “Meeting Canada’s Diverse Challenges: Social Risk, Private Risk and Productivity,” Gatineau, Quebec, December 9-10, 2008.

08-SSH-MCM-1596 (P189) Antonio Páez, Individual shopping trip duration: Is there a Metropolitan/Non-metropolitan divide?

Masters thesis: Bonin JG. “Shopping trip frequency and duration in Canada: An analysis of personal trends based on the General Social Surveys of 1998 and 2005”, School of Geography and Earth Sciences, McMaster University, 2008.

08-SSH-MCM-1537 (P195) Felice Martinello, Effects of University Characteristics and Academic Regulations on Undergraduate Students’ Persistence, Degree Completion, and Time to Degree

Presentation: Martinello, F., “Effects of University Characteristics and Academic Regulations on Students’ Persistence, Degree Completion, and Time to Degree”, 42st Annual Meetings of the Canadian Economics Association, June 7, 2008, University of British Columbia, Vancouver..

Presentation: Martinello, F., “Effects of University Characteristics and Academic Regulations on Students’ Persistence, Degree Completion, and Time to Degree”, Canada Millennium Scholarship Foundation, Measuring the Effectiveness of Student Aid (MESA) Conference October 25, 2008 in Montreal.

Research paper: Martinello, F., “Effects of University Characteristics and Academic Regulations on Students’ Persistence, Degree Completion, and Time to Degree Completion”, MESA Project Research Paper, Educational Policy Institute, http://www.mesa-project.org/pub/pdf/MESA2008_Martinello.pdf

08-MOHLTC-MCM-1740 (P210) Jeremiah Hurley, Self perceived unmet needs and the utilization of Health care in Ontario

Report to Policy Group: Hurley, J., T. Jamal, M. Grignon, and S. Allin. 2008. “The Relationship between Self-reported Unmet Need for Health Care and Health Care Utilization”. Interim Report submitted to the Ontario Ministry of Health and Long-term Care.

08-SSH-MCM-1721 (P211) Jennifer Millen, Inheritance Patterns in Canada: Variations by Socio Demographic Factors

Presentation: Millen, J. & Denton, M. “Inheritance Patterns in Canada: Variations by Socio-Demographic Factors”. Canadian Association on Gerontology, London, ON. October 23-25, 2008

07-NONE-MCM-1445-S002-R001 (P214) Lawrence de Koning, Age of Menarche and BMI

Presentation: de Koning, L., Anand, S.S., and Merchant, A.T., “Age of menarche has a curvilinear association with body mass index independent of multiple factors in the Canadian population”, Annual meeting of the Canadian Cardiovascular Congress, Toronto, ON. October 25-29, 2008.
